

B'SMART SYSTEM SOLUTIONS PROVIDING TELEMATICS SERVICES

BSMART was incorporated in 2013 with the visionary guideline to introduce innovative and revolutionary mobility solutions. Our core services include providing world-class telematic end-to-end solutions that empower both individual and businesses to maximize their potential, productivity and growth.

The Land Public Transport Commission (SPAD) was established on 3rd June 2010, following the passing of the Suruhanjaya Pengangkutan Awam Darat Act 2010 by the Parliament in May 2010. The Commission gained its full authority on 31st January 2011 with the gazetting of the Land Public Transport Act 2010.

Title of Project: Bus Tracking/PID
